Gujarat University,
Patan-384265

Gujarat Science Academy (GSA)

In 1978, a number of Scientists from Universities and Research Institutes in Gujarat felt the need of forming a Science Academy in the State of Gujarat to bring together Scientists from various fields such as Education, Research, Technology, Industries, Medicine etc. Thus, Gujarat Science Academy (GSA) was formed and registered on 29 April 1978. At present, it has more than 290 members including 225 fellow scientists, 25 Associate fellows and 15 members from various disciplines of science.

Goals

- To enhance the development and planning of science and technology in Gujarat.
- To improve science and technical education at all levels.
- To promote studies and research projects concerning application of science and technology for rural development.
- To bring an understanding of science and its usage to the layman.
- To build public opinion on matters concerning interaction between science and the society.

About Minaxi Lalit Science Test

Gujarat Science Academy has received generous donation from HIRAN Charitable Trust to conduct Minaxi Lalit Science Awards test in the following thirteen Subjects at B.Sc. and M.Sc. levels at different Universities in Gujarat as per the following details :

- Objective test (50 questions of multiple choice will be conducted) online on September 19, Saturday, 2026 from 11:00 AM to 12 :15 PM for Mathematics, and 11:00AM to 12:00PM for other subjects.
- First prize of Rs. 1000/- and Second Prize Rs. 500/- for winners in each discipline will be awarded during the award function.
- Registration link : <https://forms.gle/P27RyLLHgJ6sRKBj6>
- **Bank Details :**
Bank : State Bank of India
Account Name : Guj Science Academy
Account No. : 10298779932
IFSC : SBIN0002651 | **BRANCH :** Navrangpura
- Registration fee is Rs. 100/- for an individual.
- **For Any Queries Contact Support Team: Dr. Jalpa Vaghela**
(Parul University)
+917048242478
- Last date of registration August 31, 2026
- The participants securing more than or equal to 60% will receive an e - certificate.

Subjects

B.Sc.

- AIML
- Biotechnology
(Including Biochemistry, Life Sciences)
- Bioinformatics
- Botany
- Chemistry
- Computer Application
(BCA, Computer Science)
- Data Science
- Environmental Science
- Forensic Science
- Geology
(Including Geography)
- Mathematics
(Applied & Pure)
- Microbiology
- Physics
(Electronics, Material Science, Nano Science, Space Science)
- Statistics
- Zoology

B.Sc. (Hons.) & M.Sc.

- AIML
- Biotechnology
(Including Biochemistry, Biomedical Technology, Clinical Research Studies, Food Science, Human Genetics, Life Sciences)
- Bioinformatics
- Botany
- Chemistry
- Computer Application
(MCA, Computer Science, Animation, Mobile Application and IT Infrastructure Management)
- Data Science
- Environmental Science
(Including Climate Change Studies)
- Forensic Science
- Geology
(Including Geography)
- Mathematics
(Applied & Pure)
- Microbiology
- Physics
(Electronics, Material Science, Nano Science, Space Science)
- Statistics
- Zoology
